

OrCAD X – the Future of PCB Design

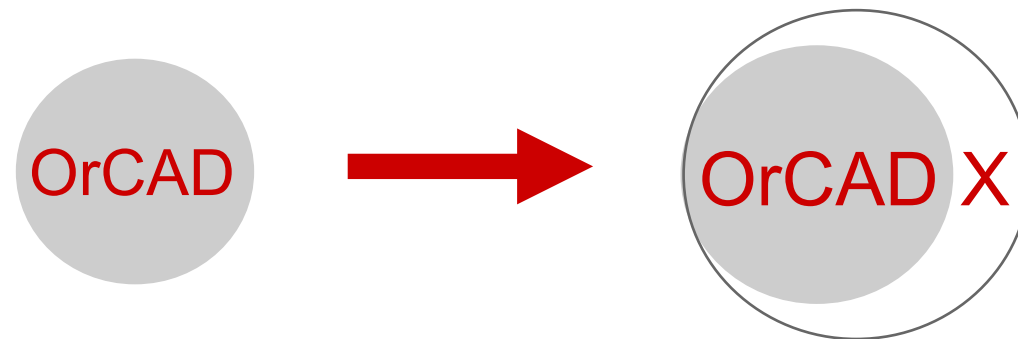

Design Fast · Correct · Connected

Zeitlich begrenztes Angebot
Wechseln Sie von Ihrem bisherigen PCB Design Tool
zu OrCAD X Pro
Weitere Infos unter [Switch to OrCAD X](#)

OrCAD X is a Super Set of OrCAD

- OrCAD products will be branded as OrCAD X going forward
- OrCAD X offers more capability; a choice of cloud or on-premise data storage; a choice of new user experience for PCB layout design
- No forced change of use-model; no data incompatibility
- Existing investments will be protected
- OrCAD X will be available as Floating, Perpetual, TBL
 - Single User License (SUL) for Cloud-applications

Tiering & Transition – Current Proposal Suggested Changes

OrCAD X includes **ALL** of the current OrCAD products and more
100 % backward compatible with **ALL** current solutions

PN	Product
PO1100	OrCAD Capture

OrCAD X Capture (POX050)

- Cloud-Sync and Cloud CIS
(as a free maintenance upgrade)
- OrCAD Capture

PN	Product
PO1110	Capture CIS
PO1120	Capture CIS Option
PO3005	PCB Designer Standard

Standard (POX100)

- CIS
- Cloud-Sync and Cloud CIS
- LiveDoc
- New UI
- Higher Performance
- OrCAD Capture
- PCB Designer Standard
- PSpice Basics

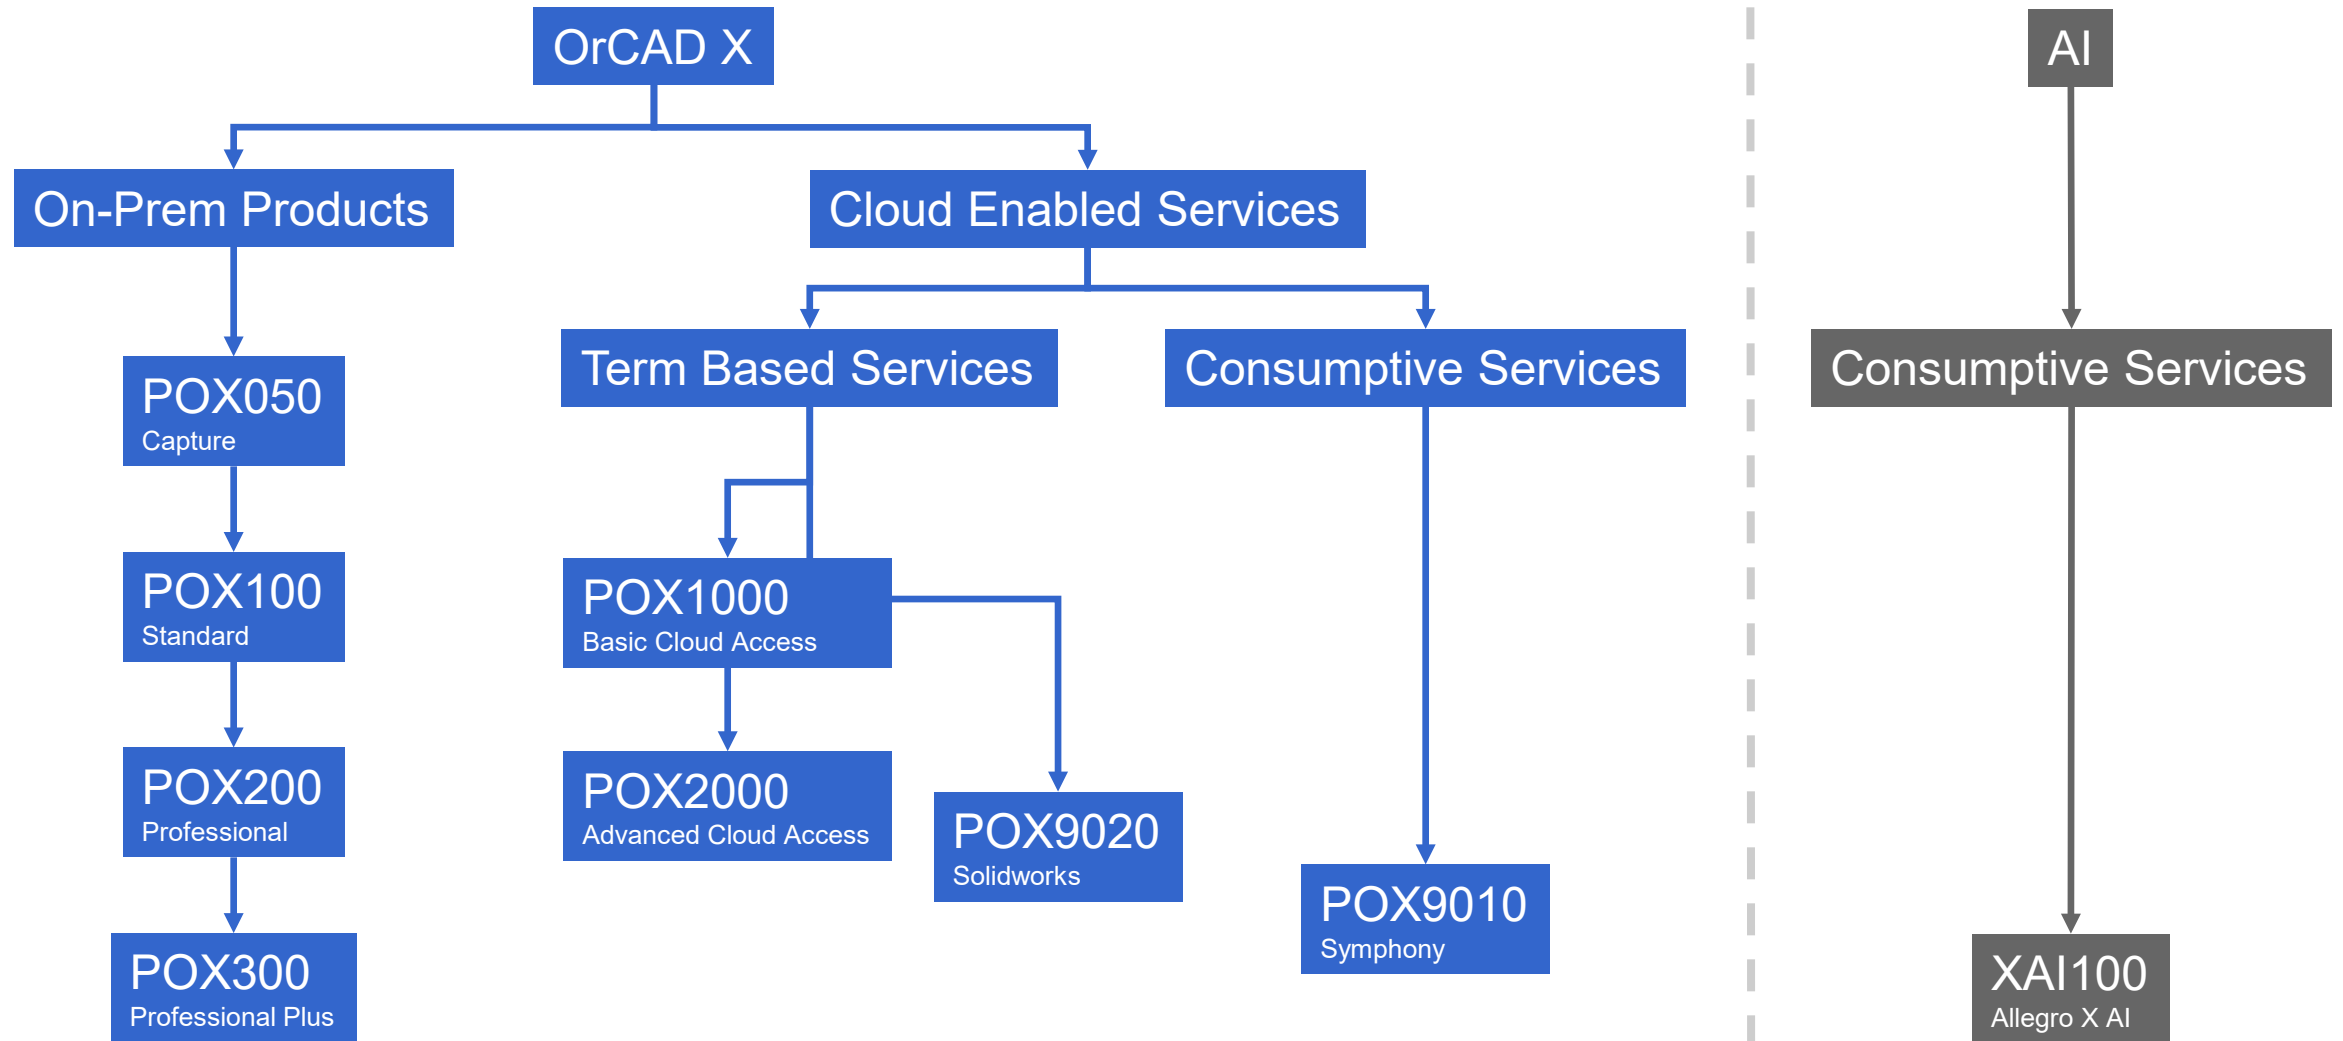

PN	Product
PO3010	PCB Designer Pro

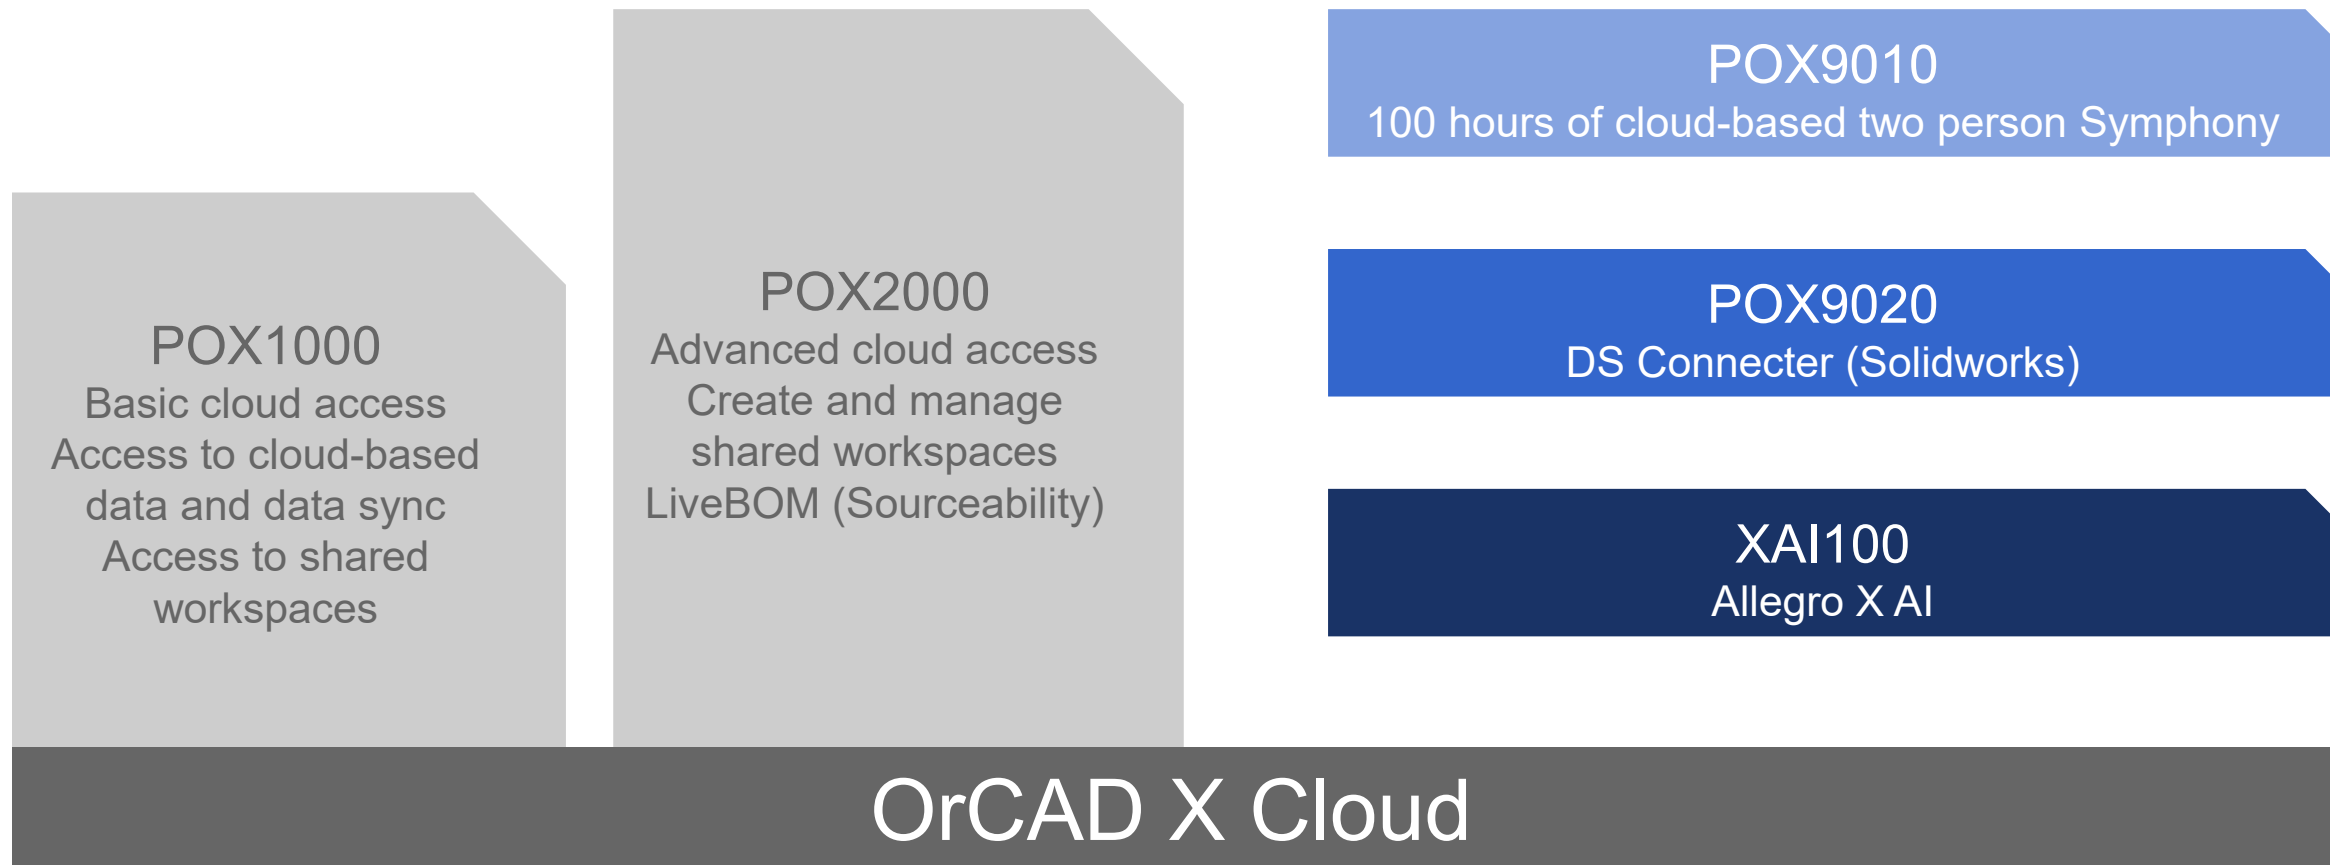

Professional (POX200)

- CIS
- Cloud-Sync and Cloud CIS
- Cloud Data Management
- Enriched Feature Set
- LiveDoc
- New UI
- Higher Performance
- OrCAD Capture
- PCB Designer Professional
- PSpice Basics

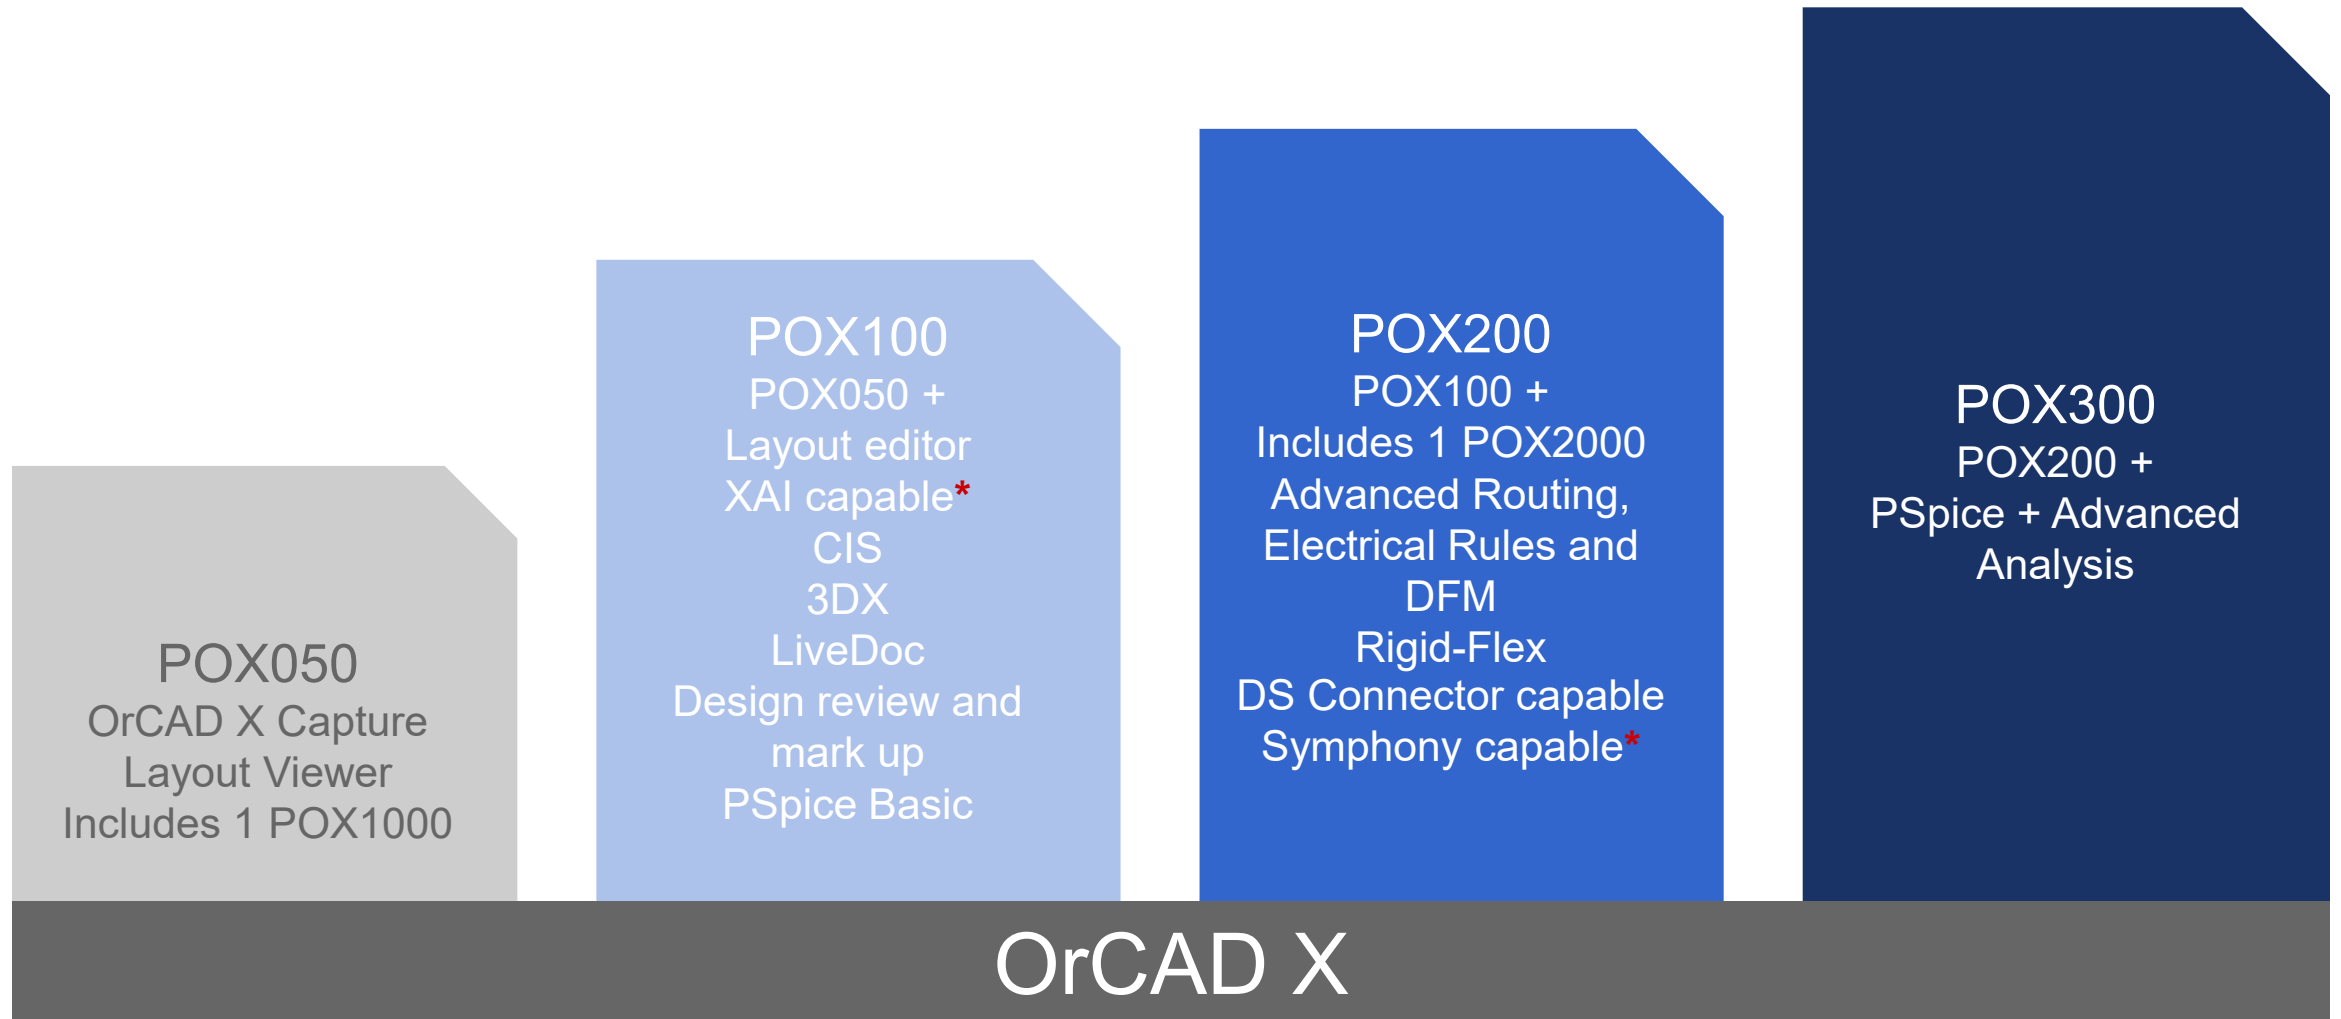

Product & Cloud Enabled Services Matrix

Cloud Enabled Services – Tiering

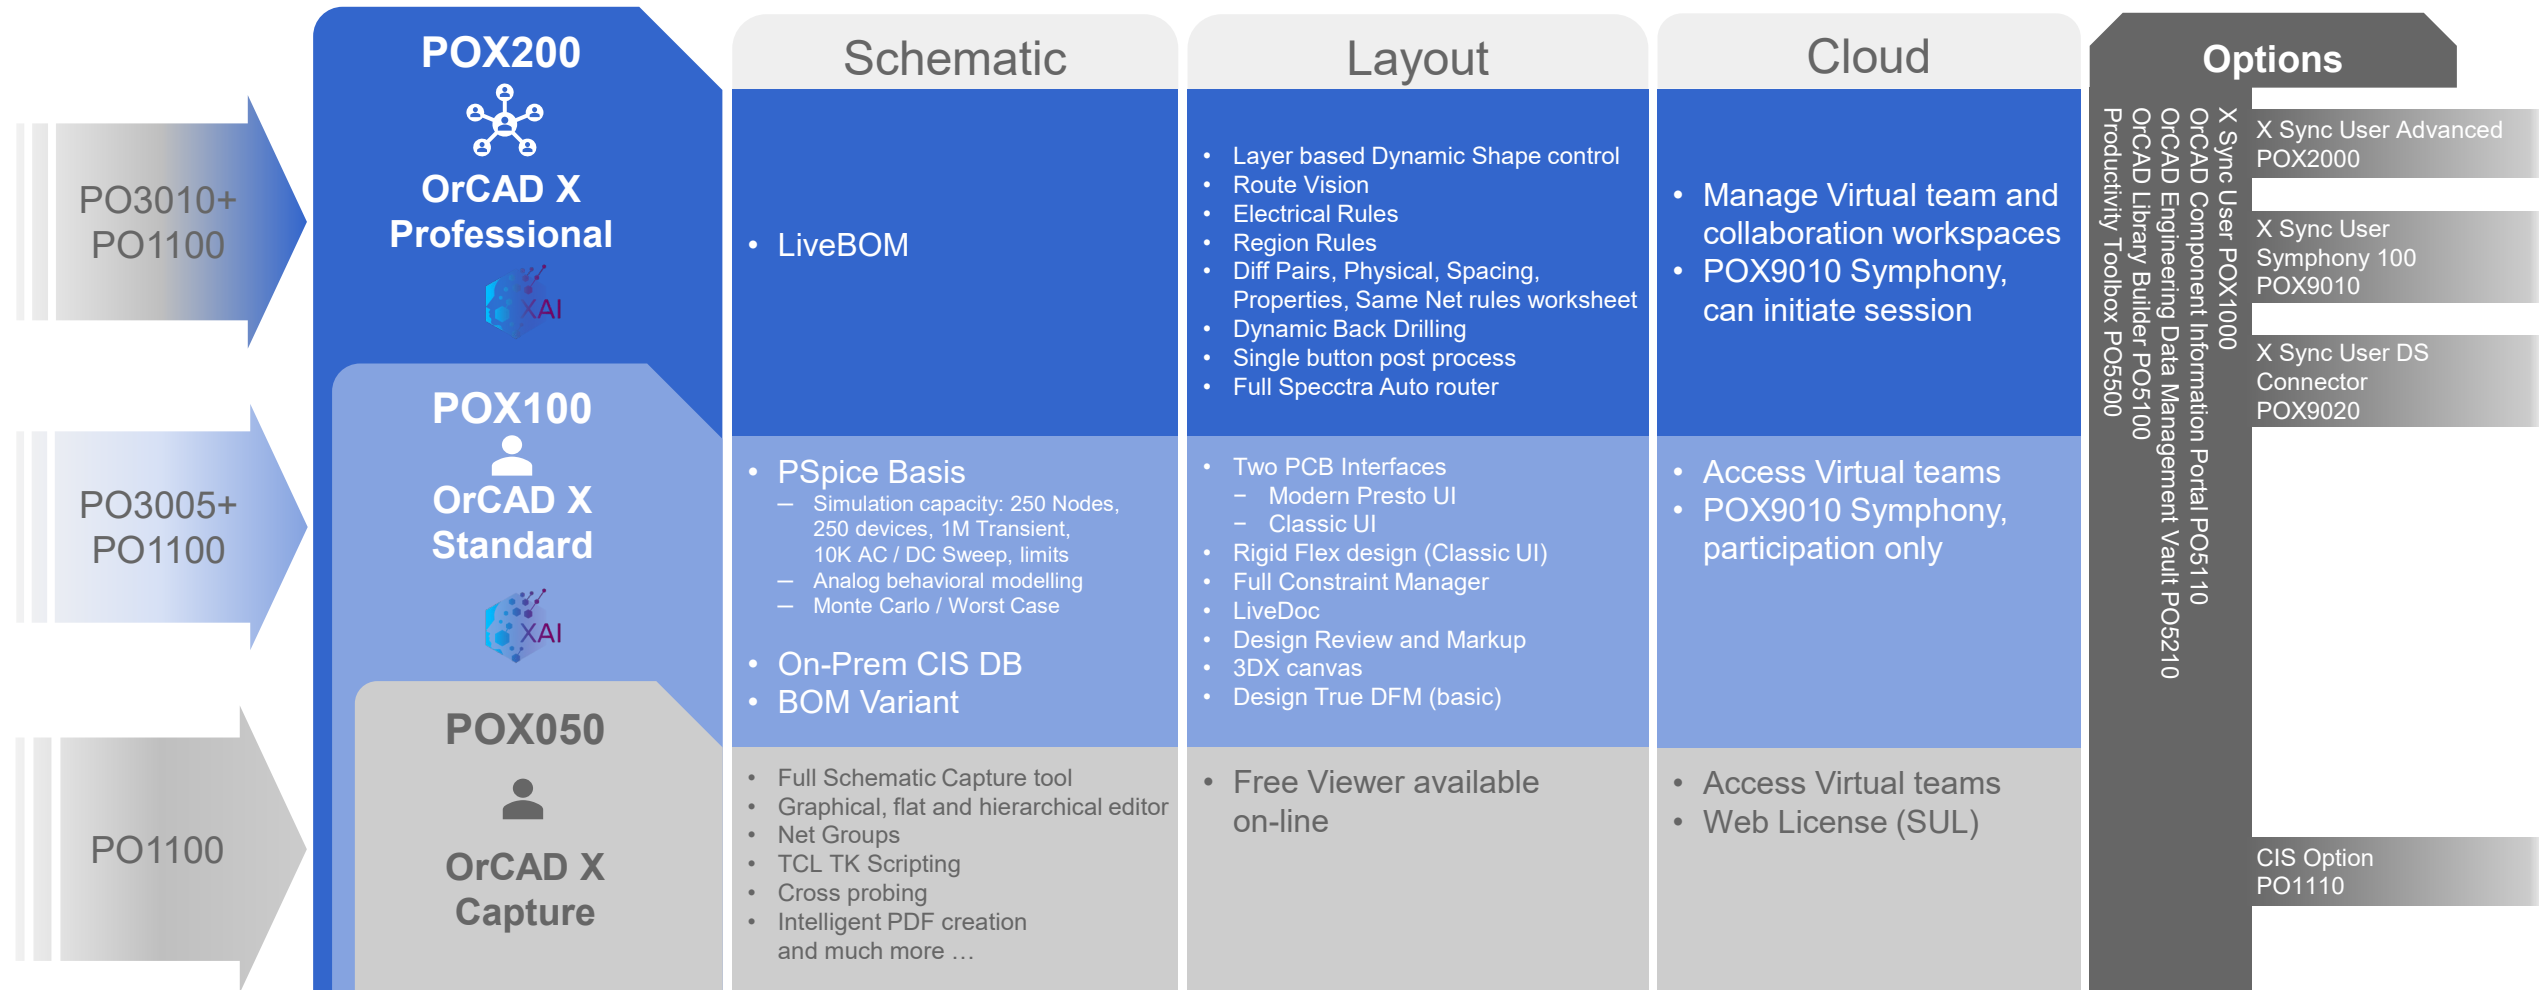

On-Premise Product – Tiering

* Cloud access necessary

Platform Tiering, Transition

OrCAD X 23.1 Release

Three PCB Tiers Available

- OrCAD X will be available from January 2024
- Floating licenses (Perpetual or TBL)
- Upgrade from OrCAD to OrCAD X
- OrCAD X Presto – brand new PCB design platform
- Cloud-enabled solutions for more flexibility
- Data sync (LiveDOC)
- Team Design with 2-persons Symphony PCB session
- Collaborate with Artificial Intelligence to improve your efficiency
- 3D Experience connection (SolidWorks)

Product Name	Product Numbers
OrCAD X Capture	POX050
OrCAD X PCB Designer Standard	POX100
OrCAD X PCB Designer Professional	POX200
OrCAD X PCB Designer Professional Plus	POX300
X Sync User	POX1000
X Sync User Advanced	POX2000
X Sync User Symphony 100	POX9010
X Sync User DS Connector	POX9020
